Events marked with an \* are of particular relevance to academic careers, and those marked with an <sup>n</sup> are of particular relevance to non-academic careers.

\*\*Events in these months may change as we get closer to them, but we will endeavour to keep these in place where possible and give as much notice as we can of any changes.

There are also funds available for the DTP Cohort to organise events. As a member of the DTP if you have an event in mind, please do get in touch and we can discuss opportunities.
